The Canadian College of Technology and Business (CCTB) offers and/or hosts a variety of events on its premises. The college acknowledges that minors may attend and/or participate in some of these events, including academic programs of the college. Minors may also enter the premises in exploration of academic opportunities.

Minors are not permitted to enter the college's premises unless they are a registered student or prospective student of CCTB attending one of CCTB's events. Facilities are not available on campus to support the children of students, staff, or faculty and children are not permitted on the premises.

Purpose of the Policy

The purpose of the Minors on Campus Policy (Policy) is to set out the rules, procedures, and safeguards applicable to minors entering the premises of CCTB.

Policy Statement

1. Safety

1.1. The college is committed to ensuring the safety, security, and protection of all visitors, while on its premises, and to comply with any applicable laws. In addition, the college will take such care as may be reasonably necessary or required to ensure the safety of the premises, including the condition of the premises.

1.2. Any unsupervised minor visitors to campus must immediately be reported to Student Services.

1.3. By assuming responsibility for the care and supervision of a minor while on the premises, the Responsible Adult agrees that he/she will be liable for any injury, loss or damage to a minor that occurs on the premises, and the Responsible Adult indemnifies the college in respect of such injury, loss or damage.

2. Rules

2.1. While the College acknowledges that students and employees off the college may sometimes have difficulties arranging childcare, it is not permissible in any circumstance to bring a minor onto the premises and to leave the minor unsupervised.

Minors participating in an event on the premises are generally permitted to use or access the college's facilities on the premises, subject to the requirement that they be always under the care and supervision of an Adult. The college reserves the right to restrict anyone, including minors, from using or accessing certain areas or facilities, or from utilizing specified equipment, on the premises. CCTB shall reserve the right to request guardian / parental consent at any time that student consent is normally obtained.

2.3. If minors are found to be unsupervised on the premises, them and their accompanying Adult may be asked to leave immediately.

3. Classrooms and Instructional Areas
